Annual Hydrocephalus Symposium:

Symptoms, Treatments & Beyond

We would like to invite you to participate at our upcoming hydrocephalus event. This is an opportunity for patients, family members, new parents and clinicians to learn more about living with hydrocephalus, signs and symptoms, treatment and beyond. Hear from expert surgeons, clinicians and patients who are living hydrocephalus with and have an open forum about the condition.

ADDRESS

Hackensack Meridian Health
Jersey Shore University Medical Center
Hope Tower
19 Davis Avenue, 10th Floor
Neptune, NJ 07753
