

# Looking for a Summer job? Be a Camp Counselor!

**A fun, supportive,  
and empowering  
environment for  
children and teens  
with and without  
disabilities or  
chronic health  
conditions**

**Camp Accomplish** is a summer experience from **Melwood** and **Children's National Hospital**. For the first time, these two dedicated, highly credentialed teams are coming together to offer a distinct and inclusive summer camp for kids and teens with disabilities and chronic health conditions.

**Camp Accomplish** is an all-inclusive day and overnight camp that provides children ages 5-18 with the opportunity to make lasting friendships, gain independence, explore nature, animals, and the arts! Summer fun activities include swimming, horseback riding, creative and performing arts in an environment where exploration is inevitable! This unique camp experience also offers customized week-by-week programming that's specially tailored for each child's distinct needs.

Join us in enriching the lives of children this summer!
