

# How to Raise Your First \$100

- Make a \$5 donation to your fundraising page. It's the fastest way to build momentum.
- Text your fundraising page to 5 friends and family, asking each person for a \$5 donation.
- Ask those 5 friends and family to share with 5 others to support your efforts.
- Start a Facebook fundraiser and invite a wider circle of friends to help you reach your \$100 fundraising goal.
- After reaching your fundraising goal, log into your page and set a new goal to keep the excitement going.
